Dear Dr. Ichim:

This is to certify that *Philologica Jassyensia* is indexed in the MLA International Bibliography and listed in the Directory of Periodicals.

The MLA International Bibliography, the most widely distributed humanities database, is the preeminent reference work in the fields of literature, language, linguistics, folklore, and teaching. The bibliography lists over 2 million citations, and is available worldwide in print and online. Most North American and European higher-education institutions subscribe to the bibliography; it is used by a broad range of researchers—from high school students to senior scholars.

Please do not hesitate to contact me if you have any questions.

Sincerely yours,

Sincerely,
David Wright
